ANTI MODERN OLD-FASHIONED SIMPLICITY
SECOND HAND SPIRIT

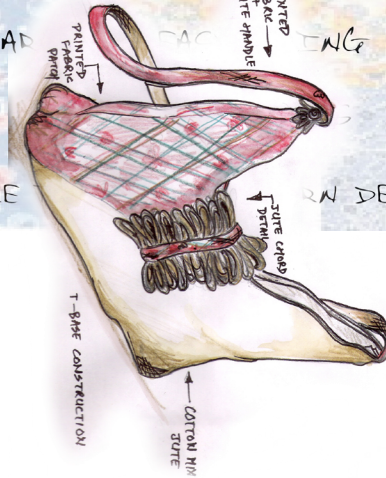

The trend lays claim to the seventies counter-culture with its denunciation of rampant consumerism. There is nostalgia for simple everyday life and vintage maintains its prime position with an emphasis on the handcraft look. A range of subdued shades comes in recycled paper ways and faded multicolors.

MY WORK AREAS

Work Areas | Lifestyle products, Tableware, Home Decor, Branding, Print design, knowledge of production processes (product design, print design, product photography props).

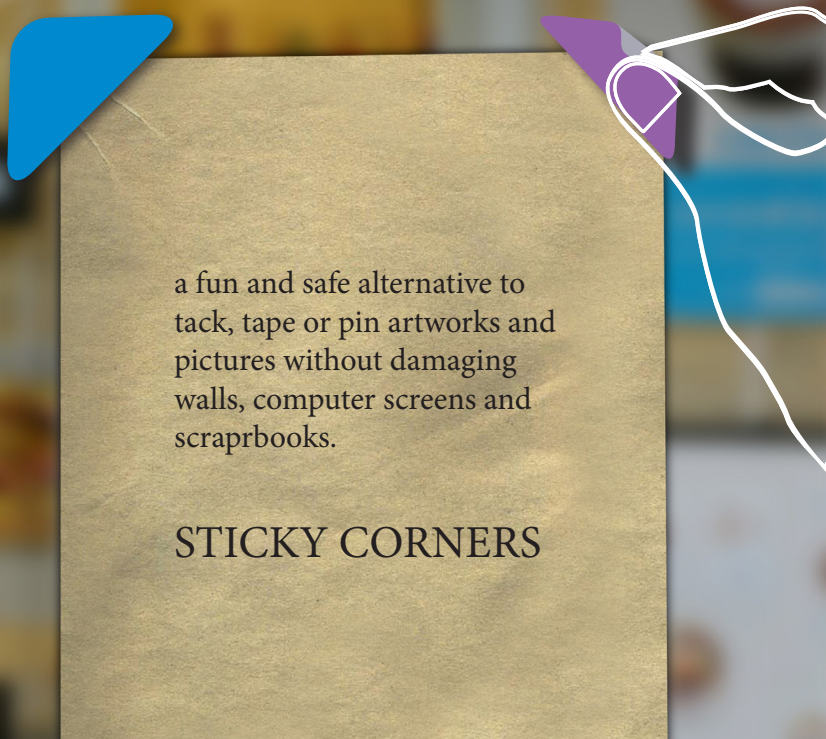

i think

DESIGN IS

Designing is creating experiences. It is a summation of look good, feel good factor, functionality, detailing and cost effectiveness. I keep in mind the knowledge of history as well as the current and upcoming trends to design specific to the consumer and client requirements.

STICKY CORNERS

no more pins, tape or clips required

a fun and safe alternative to tack, tape or pin artworks and pictures without damaging walls, computer screens and scrapbooks.

STICKY CORNERS

stationery 

use on walls to make collage in scrapbooks and other activity books computer screens to stick reminders easels and drawing boards to put sheets in place and much much more... the product can be easily washed to remove dust particles and grime

USAGE

Sticky corners for journals
and scrapbooks..

or even use them as bookmarks

Sticky corners for desktops.
Stick graphics, notes, pens and more!

arrange important documents
according to the numbers and never
forget priorities or sequence.

need to frame a picture...
try it with the "framed" sticky corner...
that gives a nostalgic feel of good
old days with color and textures.
